

Comprehensive Plan Survey Results

ALL RESPONSES: 564

Q1. Nine Guiding Principles emerged from discussions at Planapalooza. The Town would like to know which three (3) principles are most important to you over the next 10 to 20 years. Please check the three principles which most resonate with you.

Q2. Based on input at Planapalooza, traffic is a major concern for residents. Please choose whether or not you agree with the following ideas regarding traffic along Route 1.

Provide alternative routes for pass-through commuters, avoiding congested areas of Town.

Improve intersections to accommodate the heaviest traffic flows, focusing on the needs of the pass-through commuter.

Improve traffic for moderate flows, somewhat inconveniencing pass-through traffic.

Slow traffic down to promote walkability in the village areas, emphasizing local needs over pass-through commuter needs.

Q3. At Planapalooza, participants identified the diversity (location, style and price) in our neighborhoods as a strength. Please indicate your level of agreement with the following strategies:

Ensure that a variety of housing types can be built within the community.

Encourage development of housing in a variety of price ranges.

Encourage housing attractive to all.

Allow higher density in some areas to increase affordability and conserve land.

Promote walkability through a series of connected sidewalks and trails.

Q4.

At Planapalooza, participants identified the importance of maintaining and fostering a sense of community identity within Scarborough. Please indicate your level of agreement with the following strategies:

Q5.

Planapalooza participants identified the protection of the natural resource base as a fundamental to the future of Scarborough. Please identify your level of agreement with the following strategies.
